**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION (NOTICE OF ALLOWANCE)
PURSUANT TO MPEP § 711.03(c)(I) and 37 CFR § 1.181**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.181, the Applicants, through their undersigned attorney, hereby petition to withdraw the holding of abandonment in the above-referenced application without penalty to the Applicants.

This petition is submitted in response to the receipt of the Notice of Abandonment mailed April 28, 2008 (received by Applicants on May 8, 2008). The Notice of Abandonment indicates that this case has gone abandoned for failure to pay the issue fee in response to the Notice of Allowance (indicated on USPTO PAIR records as being mailed January 3, 2008).

The undersigned attorney hereby states and attests as follows:

1. The Office allegedly mailed a Notice of Allowance in the above-identified application to the Applicants on January 3, 2008 (hereinafter the "Notice of Allowance").
2. A three-month date to reply to the Notice of Allowance apparently was set by the Office for April 3, 2008.
3. The undersigned hereby states that the Notice of Allowance was not received by the undersigned or the undersigned's firm, Marshall, Gerstein & Borun LLP.
4. The undersigned attests that a search of the file corresponding to this application, the file jacket, and docketing records indicates that the Notice of Allowance was not received.
5. It is the standard practice of Marshall, Gerstein & Borun LLP to record all received Notice of Allowances and other Office Actions on the file jacket of the file corresponding to an application.
6. A copy of the file jacket for this application is attached hereto as Exhibit A. The copy of the file jacket includes one page, which reflects the front cover of the file jacket for this application including pre-printed lines upon which docket information is recorded. The copy of the file jacket provided in Exhibit A indicates that the Notice of Allowance was not received by Marshall, Gerstein & Borun LLP. Namely, if the Notice of Allowance had been received, an indication of the Notice of Allowance, its mailing date, and the three-month due date would have been recorded on the file jacket in the left-hand column.
7. It is the standard practice of Marshall, Gerstein & Borun LLP to record all received Notice of Allowances and Office Actions in an electronic docketing system.
8. A copy of the electronic docket report for this application is attached hereto as Exhibit B. The electronic docket report indicates that the Notice of Allowance was not received by Marshall, Gerstein & Borun LLP. In particular, if the Notice of Allowance had been received, a three-month issue fee due date of April 3, 2008 would have been recorded in the "Docket Dt." and "Due Date" columns on the second page of the docket report with a code of "ISSF" in the "Action" column.

9. It is the standard practice of Marshall, Gerstein & Borun LLP to record all received Notice of Allowances and other Office Actions on a handwritten log on a daily basis.

10. A copy of a portion of the handwritten log used by the docketing department of Marshall, Gerstein & Borun LLP is attached hereto as Exhibit C. The handwritten log records all Notice of Allowances and Office Actions received each day by Marshall, Gerstein & Borun LLP, the attorney docket numbers, the Patent Application Numbers, codes indicating the types of actions, and the due dates for replying to the actions. Exhibit C includes a copy of the handwritten log of Marshall, Gerstein & Borun LLP from January 3, 2008 to April 3, 2008. If the Notice of Allowance had been received by Marshall, Gerstein & Borun LLP between these dates, it would have been recorded on one of the pages in Exhibit C with a code "ISSF" and the three-month date of April 3, 2008, under attorney docket number 30203/37866.

Applicants submit that the guidelines for granting a "Petition to Withdraw Holding of Abandonment" outlined in chapter 711.03(c)(I)(A) of the Manual of Patent Examining Procedure have been satisfied. In accordance with 37 C.F.R. § 1.181(f), this paper is timely filed, as it is being submitted within two months of the discovery of abandonment (i.e., within two months from the receipt of the Notice of Abandonment mailed April 28, 2008). No petition fee is required. In view of the foregoing, withdrawal of abandonment and acknowledgement of the active status of this application and re-mailing of the Notice of Allowance is respectfully requested.

Although Applicants believe that no fees are due, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith, including the issue fee in this case, to our Deposit Account No. 13-2855, under Order No. 30203/37866.
